

Prayer Points

Please pray for us as we prepare for Summer Camp, and whilst we're away. We've prepared the following notes to help direct your prayers. Thank you!

- **David Putman:**
 - David will be cycling to Camp to raise money for SOFT UK, a charity which supports parents of children with Patau's and Edwards' Syndrome (a chromosomal disorder which affects babies during pregnancy). Please also consider sponsoring him too at <http://uk.virginmoneygiving.com/DavidPutman>
 - please pray for safety (*and peace of mind for his mum!*), good health and good spirits – and that his saddle-sore wouldn't be too uncomfortable ;o)
- **First time campers/staff:**
 - we are delighted to have some brand new Campers and Staff this year, but it can be quite daunting coming to Camp for the first time
 - please pray that they would feel welcome and settle into Camp life quickly and painlessly.
- **New Group**
 - this year, for the first time in Camp's long history, we are being joined by a non-Brigade group. We are really pleased that some members & staff of [Friday Frenzy](#) (part of [Whaddon Way Church](#)) will be at Camp this year
 - please pray for our new friends as they anticipate Camp, settle in and join the family.
- **Staffing:**
 - we are blessed with a strong team of dedicated Staff who ensure that Camp is well-organised and well-run, but this year we have a slightly smaller team than usual with a number of staff missing in key areas
 - please pray for those areas with fewer staff than normal, that others will be able to fill in the gaps, and be strengthened in the process.
- **Chaplaincy Activities:**
 - we are proud of our Christian faith and it now forms the backbone of everything else we do at Camp
 - please pray that the Lord would prepare people's hearts prior to Camp, and would inspire the Chaplaincy team to develop a challenging and appropriate programme of worship, devotions & activities
- **Safety:**
 - everything we do at Camp, from travelling down, to putting up the flag poles, from go-karting, to quad-biking, and even walking to Church, contains an element of risk. Of course, we do everything we can to reduce the risks to a manageable level, but it can't all be eliminated
 - Please pray for the safety of every element of Camp life.

During Camp you can follow what we're doing as we'll be posting photos and notes of our activities to the Camp website, you can also follow along on Facebook & Twitter.
